Task

How can we, the testers, help the trainers?

Interaction between
Testers & Trainers

- Testers involved in training events
  - Testers should be trained before testing begins - Use Feedback!
- Get equipment to the Unit sooner & leave it there
- Use operators from Training Centers
- Create IPT[2]

Common Use of Data

- Data re-use Forum - Need to do better
  - MSRR; QFF; AWE; Aegis

- Several data gathering opportunities
  - DT; OT; Training Exercises; School Houses

STIFMIS

- Exploit *Stimulators* for T&T uses
- Provide incentive funds for T&T projects
- Management/Admin Information Systems hard to T&T:
  - Need real data to train
  - Can't shut down to test
